

Describe our community as you see it now:

Carolina Classic Fair

Convenient Parks

Downtown Improvements

Lots of new food places are opening 😊

Great water quality

Housing density too low

Nice parks

Outdated building code

Get street people off the streets

Fabulous!

Love the Quarry Park and lake

Love getting around by bicycle

Downtown has become awesome

Please no more of those apartments that look the same!

Quit cutting trees

Help cure pollution

Gunshots, homeless, high prices, love downtown and parks

Love the greenways!

Parks

I like that my city has is that it has a bunch of places

Great city!♥

Too many trees being cut down

Less trees everyday

Excited about 74 Bypass! Great city

Walkertown Fall Festival

Status Quo

Not enough news covering things in Walkertown and around town

Preserve rural areas

Too many large developments

Cost of living is reasonable

Growing too fast!!

Too many trees are being cut down to make room for buildings. (comment seconded)

Westmoreland Drive to 25 mph

Expansion of City sewage

Too much traffic everywhere

Professional softball

Too much bad weather and bad roads

Target and Chick Fil A in Walkertown!

Widening /Turning Lane from Darrow Road onto 158/Reidsville Road

International Village

Gentrification of downtown Winston-Salem (comment seconded with an added comment – “x1000”)

Need housing for the homeless (comment seconded)

Allow ADUs on residential lots – (this comment was seconded three times)

Cluster development (of tiny houses)

Need more diverse groups/business owners to own property in essential locations such as downtown Winston etc. and more resources

More awareness of recovery to reduce the opioid crisis

Youth not having opportunities

Elderly care not having needs met

Homeless

More housing for seniors and disabled that is affordable or income based

Work together and we all can get some done. Money is going in wrong pockets.

Less roundabouts

Reparations

To stop homelessness

Jobs for the people in the future

Different communities are too isolated from each other in our city ♡

Tie in public transit with health dept. and hospitals:

- Walk one way/ride one way
- Reward programs for using public transit; more public transit during downtown events
- Arrange school field trips that take public transit, go to the library, study downtown architecture, etc.

Stop clearing tree groves!!! (comment seconded)

New development more expensive than is needed for use of contracted vendors providing subcontracted work

Preserve our parks to protect our wildlife

Earth Day Fair

More parks for kids at restaurants

Ebert Street and exit on Silas Creek cannot handle traffic. Need another exit even if it's a right-turn only

Preserve Magnolia Trees and other unique trees

Bring back hop's burger bar!

Plant more trees, especially oaks!

Rail trail from Clemmons to Winston along Stratford Road

All of the parks in Winston!

More bike paths. Fewer storage units.

We need to replace the natural area that were calming - the outskirts, pasture, trees, lakes.

People need to be able to get away from the hustle & bustle of the city to renew their mind.

We need the nature returned. (Please)

More retailing stores downtown

Please get rid of Chickfila

Car-centric city planning

Walking trails

Describe our community as you envision it in the future in 2045:

Carolina Classic Fair

Lots of cows 😊

Downtown Safety!

More charter schools/school options

Pay wage increase

Safer places

More affordable rent or housing situations

Strong and growing healthcare system with clear and local leadership

Greenways and bike trains

All city/county vehicles are electric

Yard waste and wastewater facilities convert portions of their materials into biochar

Update building codes

Improve bike/ped options throughout city

Affordable housing

We need a place or places where community members can go to the park and play tennis/pickleball/racquetball by themselves (one person, no partner)

Need sidewalks on Brewer after turnaround for kids to walk to and from school on sidewalks instead of ditches!!

Drugs off streets

More street lights

Lots of farm and less new developments 😊

Sidewalks and walking districts!

More sidewalks, parks, more schools, and retail shops

More sidewalks

More festivals that are kid friendly

Affordable housing and training residents to work in new industry!

Walkability!

Better roads

Kind people

More community get togethers

More bike paths connecting all the great features our community offers, so many people on bikes enjoying the outdoors

More speed enforcement around schools

More community gardens

More places for teens and more teen events

More community gardens

More bike lanes

Get drugs off streets

Parks, playgrounds, lower crime, walking trails, more sidewalks

More public art 😊

In heaven I hope to see street people off the streets

Updated schools, increased school safety, decreased crime, increased exercise equipment at parks

Composting, recycling at businesses and apartments

There is a great need for single-family homes in the East Ward and need an extension for a City cemetery in East Ward

If you do business downtown your parking deck charge is free

More charter schools

Less development

More leaf and limb pickup in sub neighborhoods instead of Buena Vista

More adapted/accessible parks! 😊

Kill less animals

Sidewalks!

Single family homes

More sidewalks

Safer road crossing for pedestrians

More dog parks

More sidewalks!

More bike lanes!

Safer road crossing!

More recess at school

Lower speed limits

Smith Reynolds Airport updates

Help and fund Happy Hills Cemetery

Community (all-age) intermural sports/open gym (specifically ping-pong and volleyball) 😊

More nature walks

Community gardens

Pedestrian lights

Neighborhood gathering spots/centers

Neighborhood with some commercial (walk a block or so to the market, little restaurants)

More affordable houses for seniors

Sidewalks for safe walking

No shrubbery at corners – enforce highway traffic act (do not obscure intersections)

Mixed Use - "Make it like" Berkdale Village with wider streets and more parking ♡

More bike lanes (comment seconded)

More sidewalks and bike trails!

High frequency transit service!

Sidewalks

More sidewalks and green places for families
Accessible housing, more trees and plants, less crime, more adult activities
Less crime
Improve food deserts!
Lots less crime
More sidewalks and safe bicycle lanes

Walkertown Fall Festival

More – better professional educational schools in low-income areas; Music – schools
Less drugs
Lower taxes
Reduce school systems to fewer than 40,000 students
Fewer bureaucrats
Slow down growth in Walkertown (comment seconded)
New stadium and lights
A Starbucks (comment seconded)
Lower property taxes for seniors (comment seconded)
Grow bigger
Public swimming pools
More events!
Help reduce crime, when convicted serve the time, we have order and justice
Bakery supply stores and hair store
Low-cost housing and police presence please

International Village

Family unification
More fun events
Help homeless
More economic value homes built with quality contracted vendors
Increase road capacity
Help out senior citizens. They should never choose between food and meds! (comment seconded)
Children thriving in education
Care for the elderly that all needs are met
No more Opioid deaths
More start up funding for new business owners
Grants for housing for various area of the community. Along with additional housing for seniors and disabled.
More inclusion of our diversity (comment seconded)
Please – Plan for effects of climate change!! What about old infrastructure? What about stormwater? Think I read Durham NC now considers climate change (comment seconded)

Repurpose our abandoned buildings for homeless and animal sanctuaries (comment seconded 4 times)

The end of gentrification

Low-income housing not high rent; give the people a break

No one homeless

Decrease in substance abuse

Hold post office and railroad responsible for homeless population

Plant NC native plants (comment seconded)

Moravian Revival Architecture (comment seconded)

More downtown shopping/No more shopping centers (comment seconded)

Railcar and Amtrak (comment seconded)

More pedestrian infrastructure

Decreased crime in poor neighborhoods

Provide social services for all who need it

More sidewalks and "walk/don't walk signs"

Creation of a "greenway/pathway" over or along train tracks on Stratford Road. Clemmons to 5 points

More housing for the homeless

Clean

More sidewalks and nighttime streetlights

Community gardens

Re-use buildings for businesses and living spaces. No need to build more.

Keep green areas and trees (comment seconded)

Build more affordable housing

Waughtown Freedman School Market Unveiling

In 2024 I'd like to see a productive self-sufficient people living in a community that meets the needs of the whole man.

Earth Day Fair

Downtown play/climbing area (playground)

More parks/places for kids to play safely

Grocery store downtown!

Would love more bike trails, parks, outdoor community areas

We need more national parks for animals

More centers for the disabled

Less cars, more pedestrian friendly

Broad Street Bus Rapid Transit (or similar corridor)

More mixed-use development

More schools

More parks!

More dense housing development in W-S/Downtown
Preservation of rural and undeveloped area/farms
Transit oriented development
Less single-story development
Grocery/retail should have residential on upper floors
Put a dog park on top of parking decks downtown
Bike trails
We need more gardens
More parking areas for visitors; public parking areas
Garden roof tops with native plants and veggies. Bike lanes, more electric and regular bikes used.
More places/parks for kids
Grocery store downtown
Protect our trees! WS has wonderful trees.
Sidewalks/trails
Townhouses – multifamily affordable housing
Less building of new houses and work on the houses that are vacant
Better roads
More greener less concrete
More sidewalks and biking lanes

Cobblestone Farmers Market (07/29)

Sidewalks
Controlled development
Functioning rail station stop in WS
Sidewalks everywhere!
Fewer regulations that harm minority businesses
Connected greenways (x2)
Connecting transportation between all parts of WS and downtown (streetcar system)
Walkability and bikeability
Better transportation options (trolley)
Rails
No more shopping centers
Bike friendly
Healthy food / gardens
Better bike infrastructure
Sidewalks and crosswalks
More public art!
Farm to table restaurants
Housing for all
Rails to trails

See people unite better
Pro soccer team
Free energy
Greater emphasis in waste management and cleaning our streets
Continued economic revitalization of historic neighborhoods
Bike lanes
Safe bike routes
Bike paths connecting all around NC
Parks for children downtown
Ensure equitable development
Improve care of environment
Work to house everyone
Avoid Durham's mistakes
Green green green
Maintain our parks
Electric buses – increase routes and times
Urban green space
Mixed use zoning
More pedestrian friendly
Affordable housing for all

Cobblestone Market (09/09)

More walkability and bikeability
Improvement in the quality of public school lunches
Parking meters with ability to pay via phone
More affordable and quality development
Protected bike lanes, better cycling infrastructure for casual riders
More affordable homes for average folk!
Bicycle riders of all skill levels
Better bike infrastructure and lanes
No standard mode of dressing (SMOD) at school
Public Transit into County
Lots of recreational options FUN!
Walkable/bikeable and disability accessible infrastructure
More closed and protected bike lanes
More sushi restaurant options!!!
More sidewalks!
Not enough buses (school) drivers
School safety
Affordable housing
Empty office building reuse!
